High Sierra singletrack on the Inyo National Forest around the town of Mammoth Lakes, about 5 hours from Vegas. Pumice, pine forest and big views of the Sherwins and the Minarets, all between 7,800 and 9,300 ft. Snow decides the season: trails usually melt out in June and stay good until the first fall storms. Wilderness all around is closed to bikes.

Numbers match the rides below. Black squares are parking. Scan a code for the interactive map, GPS file and cue sheet.
