Foothill singletrack on Washoe County land around Reno, from the canyons above the UNR campus to the Sierra front in the southwest. Low desert trails ride most of the year, but skip them when muddy and expect summer heat and winter snow spells. The Peavine trails on the national forest, including Keystone Canyon and Upper Evans, are under the Hawk Fire closure through Oct 31, 2026.

Numbers match the rides below. Black squares are parking. Scan a code for the interactive map, GPS file and cue sheet.
