

Tough Love

Six rough miles of Mother and Ernie's, a lap of Inner Caldera, and the Girl Scout bomb back to the car.

Not today: Soaked: 0.81 in of rain in the last 48 hrs. Riding now ruts the trail for months. Give it a few dry days.

⚠ **Not yet rider-checked.** This line was routed from OpenStreetMap trail data and hasn't been ridden end to end yet. Cross-check turns against the trail signs or Trailforks.

KNOW BEFORE YOU GO

- Mother is rough, rocky and exposed with steep punchy climbs. Plan on walking a few moves unless you ride chunk for fun.
- IMBA, Mother & Ernie's, Coyote Canyon and Ernie's Extra are tagged one-way in OpenStreetMap; this route runs them in that direction.
- Once you are on Mother there is no quick bailout; it is several miles to the next junction.
- Inner Caldera is rated difficult on MTB Project. Girl Scout at the end is the smoothest mile of the day.
- Heads up: OpenStreetMap and MTB Project ride IMBA uphill, but Trailforks (checked Oct 8, 2026) lists it as downhill-primary. Climb it alert for riders coming down.

RIDE SMART

- **Water:** plan on about 1.5 L for this ride. There's none on the trail.
- **Signal is spotty.** Tell someone your route and your time back.
- **Emergency:** call 911 and say "Tough Love ride, parked at Bootleg Canyon Park trailhead, Boulder City / Bootleg Canyon", plus the coordinates from Locate me.
- **Wildlife:** give horses, burros and anything with horns room, and never feed them.
- **Stay on trail.** Desert crust and mountain soil take decades to heal.
